

# **Mater Dei School Snow Policy**

**Mater Dei generally follows the lead of Montgomery County Schools with regard to school closings and/or late openings.**

**Listed below are the exceptions:**

- 1. When Montgomery County Schools open school two hours late we will open one hour late.**
- 2. When Montgomery County Schools are closed for scheduled teachers meetings or non weather-related events, Mater Dei will follow The District of Columbia School system with regard to late openings or closings.**

*(N.B. If DC schools open two hours late, we will open one hour late. If DC schools are closed, we will be closed.)*

**If both the District of Columbia Schools and Montgomery County Schools are closed due to non- weather related matters, a message will be on the Mater Dei answering machine by 7:00 am on the morning in question.)**

- 3. If Montgomery County Schools close early due to inclement weather we will remain open until regular dismissal time. If road conditions are deteriorating and you feel you should pick up your carpool early, feel free to do so.**
- 4. If Mater Dei has a half day schedule and Montgomery County has a delay, Mater Dei will be closed.**
