TELEPHONE 301-365-2700

WILLIAM G. McMURTRIE, HEADMASTER

EDWARD N. WILLIAMS, PRESIDENT

February 13, 2018

Dear Parents:

Mater Dei will be offering summer school programs in both math and English/language arts. The courses will act as an introduction to our programs and the school for incoming sixth and seventh grade students. In addition, the course will serve as a refresher for current Mater Dei School students who would benefit from further review over the summer.

Classes will be held daily for three weeks from Monday, June 18, through Friday, June 29, and from Monday, July 9, through Friday, July 13. It is not a problem if your son will be on vacation for a few days or a week during summer school, but please note on the form below or discuss with us in June.

Daily math classes will be held from 8:30am to 9:20am and English/language arts from 9:30am to 11:20am. Payment of tuition (Math-\$225; Eng/LA-\$425) should be made to Mater Dei School and is due by Friday, May 18. Please note that you will need to purchase a textbook for each of these courses. These books will be the required textbooks for the school year. Information on how to purchase the required texts will be provided by May 31.

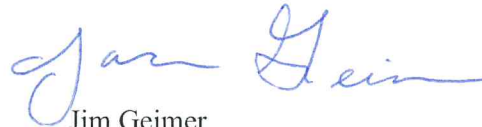

Jim Geimer will teach math and Will Bednarz will teach English/language arts. Please let us know if you have any questions or concerns.

Sincerely,

Will Bednarz
